2. The facts supporting this belief are as follows:

On October 25, 2026, at approximately 0940 hours, I was contacted by Sergeant S.D. Black in reference to \$150,000 being removed from the confidential business at approximately 0830 hours.

On October 25, 2026, at approximately 0700 hours, confidential business received a phone call from who they thought was FedEx. The confidential business notified confidential Security Supervisor. The confidential Security Supervisor received another phone call from a subject who identified himself as Matthew Martinez. They talked about the FedEx call and the confidential Security Supervisor was told by Martinez the confidential business' General Manager okayed the release of \$150,000.

At 0838 hours, a black Jeep Compass bearing Missouri registration BK5H3X pulled up to the front of the confidential business, occupied by a white male driver and a white female passenger. At 0840 hours, confidential Security Supervisor walked out carrying a box which contained \$150,000, and handed it to a white male, who was later identified by the Missouri department of Revenue database as Charles E. Blaisdell. The female passenger was later identified as Heaven L. R. Roberts, date of birth July 24, 2005.

The black Jeep Compass exited the confidential business' property with the \$150,000.

It was later determined the release of the \$150,000 was not authorized by the confidential business' General Manager.

Information regarding the vehicle was disseminated out and the vehicle was located and stopped on US 36 Highway, where both Blaisdell and Roberts were taken into custody in Macon County.
